

# PAUL HYETT

*Special Make-up Effects Designer*

*Paul has been working in prosthetics and special effects make up for the last fifteen years. From disguises, war and casualty make ups, old age, as well as a variety of prosthetics, realistic false bodies and heads, it's his creature and special effects work on the Neil Marshall pictures 'The Descent', 'Descent 2' and 'Doomsday' that singles Paul as one of the most original sfx make up designers in the UK today.*
